

PRACTICAL-3

Aim: To compare AI outputs for a product description generation task using short vs detailed prompts.

Description: This practical explores how prompt length and details influence the quality, creativity, and completeness of AI-generated product descriptions.

Steps:

1. Open a Generative AI tool such as ChatGPT or Gemini.
2. Select a product for description generation.
3. Write a short prompt and generate the output.
4. Write a detailed prompt and generate the output.
5. Compare both outputs based on quality, creativity, and relevance.

Code:

Prompt 1 (Short Prompt)

Write a product description for a wireless Bluetooth speaker.

Output 1

Wireless Bluetooth Speaker

Enjoy your favourite music with this portable wireless Bluetooth speaker. It offers clear sound, easy Bluetooth connectivity, and a long-lasting battery. Compact and lightweight, it is perfect for home, travel, and outdoor use. Once this information is available, I can assist in checking appointment availability.

Prompt 2 (Detailed Prompt)

Write a professional and attractive product description for a portable wireless Bluetooth speaker. Mention Bluetooth 5.3 connectivity, 20-hour battery life, IPX7 waterproof rating, deep bass, built-in microphone for hands-free calling, lightweight design, and compatibility with Android, iPhone, tablets, and laptops. Use a friendly marketing tone and end with a call-to-action.

Output 2

Portable Wireless Bluetooth Speaker

Experience powerful sound wherever you go with our premium Portable Wireless Bluetooth Speaker. Equipped with the latest Bluetooth 5.3 technology, it delivers fast and stable connectivity with Android smartphones, iPhones, tablets, and laptops.

Enjoy up to 20 hours of uninterrupted playback on a single charge, making it the perfect companion for travel, parties, workouts, and outdoor adventures. Its IPX7 waterproof design protects it from splashes and rain, while the deep bass technology provides rich, immersive audio.

The built-in microphone allows crystal-clear hands-free calling, and the lightweight, compact design makes it easy to carry anywhere.

OUTPUT:

Comparison

Criteria	Short Prompt	Detailed Prompt
Length	Short	Detailed
Creativity	Basic	High
Feature Coverage	Limited	Comprehensive
Marketing Tone	Simple	Professional
Readability	Good	Excellent
User Engagement	Moderate	High
Call-to-Action	No	Yes

Conclusion

The detailed prompt produced a more informative, engaging, and professional product description. Providing specific requirements in the prompt significantly improved the quality, creativity, and relevance of the AI-generated output.
